Master Rick Rando's experience in business culminates not only on the martial arts training floor, but in mentoring executives and their TEAM members in the corporate world. At a very young age, he ascended into a position of leadership through entrepreneurship, and learned very quickly the value of **leading by influence**. This combined with the concept of practicing **servant cohesiveness**, blends together a powerful **leadership through example** application.

A traditional taekwondo practitioner for the past 31-years, he currently owns one of the largest, open-spaced martial arts studios in the country. Rando is a Master Instructor endorsed by martial arts legend, Grandmaster Bill "Superfoot" Wallace, and has been featured on the cover of both *Allegany* and *MASuccess* Magazines as a modern-day marketing/customer service expert.

Labeled a keynote empowerment speaker, Rando has conducted thousands of demonstrations/presentations in the business community and in academia. He's been the keynote/featured presenter working with organizations such as Chick-fil-A, Frostburg State University, the Belt Group, Cintas, Columbia Gas/NiSource, the West Virginia Health Care Association, Hunter Douglas, The Western Maryland Health System, Flagship Rehabilitation, Century Martial Arts, and Charm City Cakes (from Food Network's hit show: "Ace of Cakes").

Rando is passionate about inspiring people to become **fire-starters**. He wants **self-motivation** and **leadership through example** to sweep every business, non-profit, academic organization, and family unit throughout the world, making our daily interactions positive and valuable. With well over two thousand speaking engagements/seminars under his "belt", he'll be sure to kick-start the ascension of confident leaders in your organization.

"Your presentation was uplifting, entertaining, and enlightening. You shared refreshing topics in a manner that was both humorous and entertaining, while still getting your message across to the entire audience. That's a hard combination to achieve, but you did it with style and grace. Your connection with the organization and willing to share your interest in doing so is the exception not the rule. Your enthusiasm is contagious, and you would be a huge asset to ANY group who is looking for an amazing, one-of-a-kind speaker."

– Mr. John R. Hampton (Maryland State Highway Administration)
